## A journey inside and out
Un viaggio all'interno e all'esterno

**It is an attractive and unusual journey we are embarking on. Discovering, between private space and enveloping nature, the values that permeate our choices. The same values that define our identity.**
È un viaggio attraente e insolito quello che stiamo intraprendendo. Scoprire, tra lo spazio privato e l'avvolgente natura, i valori che permeano le nostre scelte. Gli stessi valori che definiscono la nostra identità.
