

Bestway 56716 Oval Above Ground Pool with Swim Vista Porthole 549x274x122 cm - 56716

Bestway 56716 Swim Vista oval above ground pool with wicker effect is made of a structure of brown galvanised steel and 3 layer cut-resistant PVC and has 2 underwater portholes (an exclusive Bestway product for the summer).

Bestway 56716 above ground pool is ready to use, you just have to place the pool on a flat surface and assemble the steel structure; sand filter and safety ladder are included in the package with the aim of providing customers with a whole product to enjoy moments of relax.

The Bestway 56716 above ground pool of the Swim Vista line is one of the most appreciated products from this year's collection. As the official retailer of this famous American brand, ProduceShop may offer you this pool at the best price obtainable. It is the perfect product that guarantees an easy assembly at the best quality/price ratio.

Estimated assembly time: 30 minutes
