

## Bora

A bed with a romantic taste, Bora is distinguished by its tufted headboard. It is available with either a fixed slatted bedstead or with two storage variations, one a regular storage placed underneath the mattress or with the "Komodo storage", which, in addition to the regular storage, contains a practical system that raises the slatted bedstead and the mattress to ease the fitting of the bed linen. Bora comes disassembled for easy delivery. The cover is completely removable and washable according to the fabric chosen.
