

People P208

Modular bookcase in modern style, made of wood, measure, with integrated lighting, with shelves, ideal for hotel room, for professional use, for school, for office.

People, which is a house made of people, before rather than rooms and furniture. A project that gives space specifically and elegantly, the wishes, dreams and to the wishes of each, in workplaces and in the most different. Multiple expressive and compositional from four simple independent elements: modules per day, containers, wood paneling and shelves "elle". Intelligent solutions that facilitate and make life more beautiful, top-quality materials and construction, as has always been the philosophy Pianca. Change and expand, in space and time so that People was designed to meet the needs of people today, expecting the evolution of the houses of tomorrow.
