

Dama Lounge

Dama Lounge series is a variant of Dama Executive series. Dama Lounge differs since has been conceived with a different frame inclination, in order to be more suitable for lounge areas. The upholstery is suggested in two ways, PLAIN (without front stitches) or STRIP (with front stitches). The chair is suggested in two sizes: with headrest and with high backrest. The 4-leg metal frame is equipped with glides and is suggested in black (N) or chrome (CR) or white (BI) finishing. The lounge chair is enriched with a writing tablet (180° rotation) and separately or together with the tablet, a USB-AUX socket. An independent lecture tripod table (with the rear leg on wheel) is combined with the chair.
