

TEMPO PLUS

Tempo Plus completes the Tempo and Tempo Evo collection.

Tempo Plus with an entirely padded backrest and high-quality details is even more comfortable. Available with Tempo Evo and Tempo side.

Strengths:

- 2 types of side: standard entirely upholstered and wood
- cleanly geometric side
- possibility of installing Air feet to lighten and characterise the side
- Micro-spring cushion for greater comfort on request
- Seat available with silent tipping system and without rebound
- Numerous accessories complete the collection
- ISO354 certified acoustic performance
- Tempo Plus is formed of easily separable and completely recyclable components
- Tempo Plus is formed of wooden materials certified according to international standard FSC®
- As a result of its features, Tempo Plus can contribute to LEED certification of the building in which it is installed
- 7-year warranty
- Class 1IM reaction to fire
