

Ninfea coffee tables

Just like the plant whose name it bears, the Ninfea triptych is an object that lives in composition with itself. The complete shape of the three elements with shelves that seem almost floating on an ideal body of water makes each table, even single, capable of exalting itself in the environment in which it is placed. Beside a sofa, a smoky table or as in the center of the room it will never go unnoticed.

Design: StudioMEMO

Dimensions:

Coffee table A - 104x53x31 cm h

Coffee table B - cm 73x51x31 h

Coffee table C - cm 51x73x31 h
