

Bianca R VS/SU

Chair with solid wood structure.
Seat and backrest in plywood.
Available in beech or oak.
Padded seat available.

Essentiality blends perfectly with the warmth of beech and oak wood in this chair, which is available also with upholstered seat. The solid wood frame, which is exposed in the rear side of the chair for greater aesthetic impact, supports a seat and backrest that offer body support and maximum comfort thanks to the tilt angle and perfect curvature.
