

## Ics 506MD4

Armchair with a metal structure shell coated with high-resistance, flexible, lightly-coloured polyurethane. Frame in beechwood natural or stained to sample; upcharge for black or white lacquering. On request, foam in fire retardant version. Covering in fabric or vinyl, also in fire retardant version; covering in customer's own material available as well. Rigid plastic glides. This armchair is appropriate either for the home either for other spaces; it can be adapted to every atmosphere, from the most informal to the most sophisticated.

Designer: Fiorenzo Dorigo
