

Quadratum Q/50 – Q/50CC

Wooden doorless plinth with all sides closed. Fully assembled delivery.

Optional items:

- ART. Q/50CC h 26 cm UV-bonded glass case
- ART. Q/50CP h 26 cm UV-bonded acrylic case

Quadratum is a very handy, modular system easy to assemble, which proposes a new concept of interior wall decor with finishes ranging from lacquering to laminate, and available in multiple colors. To decorate the interior walls, it is possible to use also silver and coloured satin crystal glass panels, available in fumè, bronze and with customized decorations.
