

## Top Line 3 3/M

Tempered glass half-oval showcase - 3 cm thick base – halogen lighting on two sides – height adjustable shelves – on feet – mirrored base.

The new Top Line series is distinguished by its beautiful shape and its double version: Top Line 3 and Top Line 9 ranges.

The Top Line 3 collection is characterized by adjustable shelves in height and inclination. The halogen lighting for each shelf on two sides optimally enhances any object stored.
