

## Iris-P SG

The Iris chair becomes an upholstered chair, inheriting the strengths of the original model: its simplicity and elegance. Perfect for the contract and office division but also ideal for living areas, it stands out for its originality and liveliness in the twocolour version. There are different bases both in wood and metal, for a complete customization. The stool Version is also available. There are five available bases both in wood and metal, for a complete customization. The stool version is also available.
