

Camera Ragazzi 03

Modern bedroom for kids, practical and comfortable.

Innovative furniture for young people is amazing for the concentration of practical solutions and comfort. The bed may be equipped with a practical storage box, may be wider one and a half size, and may use shelves, bookcases, lights, bedside tables... In addition to cabinets, bookcases, bridges, corners, castles and dressing rooms, even the desk area is customizable: tops and shelves shaped and rounded to measure, are sided by various supports and specific equipments... Wardrobes and book-cases in high quality "tamburato" system. Real comfort is grow-up serenely in a room really tidy, clean and environmentally friendly!
