

## GEA Sideboard

Sideboard in contemporary style. Cabinet made of stained Tulipier and Liquid Amber with inlays in white maple and mother of pearl, sculptural feet and handles in matt bronze finish brass.

Arabescato Orobico marble top with split edge. This piece of furniture best represents the essence of the Gea Collection, so as to take its name, a mix of materials such as metal, different woods, different finishes and the precious marble.

Art.2019-41 Sideboard - cm. 225\*55\* h. 88
