

Spazio Contemporaneo SPAZE1051

Modern sideboard with 4 doors with push pull opening. Under the top, inside the door, there are two secret compartments. Two doors are covered with real antique wood.

Main materials used:

- Modular bodies and doors: blockboard with brushed ash veneer.
- Backrests: multilayer wood.
- Antique wood doors (where present): solid 3-layer cross-layer fir panel with antique wood cladding.
- Soft closing drawers (where present).
- Doors with push pull opening (where present).

No part of this furniture is made with chipboard or melamine paper, 100% Made in Italy design and production.
