We are specialists in water gilding, in carving hand made and antic art studies.

Aurea reproduces old furniture, using the same old-style techniques used in the past and the offer in also completed by proposal and project of new, bespoke items. Aurea can make your dreams come true, also by creating unique pieces.

All our articles have a refined light design, they are so different from industrial items. Infact they are made exclusively in Italy and all carved by hands of italian artisan master carvers. We use lime wood, which has got compact fibres and no knots and is unassailable by woodworms.

Luxury classic furnishing suitable for elegant environments and places, like exclusive prestigious hotels, mansions and villas.
