

## Brahms bedside table

Bedside table with Real Yellow marble top, with a removable shelf covered in leather, curved front.

The Brahms Collection is the result of the care and passion that lies in the choice of walnut wood and leather, all the preciousness and precision of furniture tradition of Cantù. So, today as yesterday, we continue to produce furniture that surely will be "future antiques" to be passed down from generation to generation. The slightly move line is enhanced by a stylish inlays in boxwood carvings and hand. The drawers are covered with fabric and have interlocking dovetail. The spotlight has inside two columns with "secret"; Another "secret" drawer is housed in the base of the base. The floor is marble Giallo Reale and satin polishing wax. The bedside table has a removable shelf in leather.
