

Liberty nightstand

Precious nightstand with handcrafted gold-leaf decorations. The 24 carats gold plated handles have been specifically designed for the Liberty Collection with the purpose to enhance its original philosophy. Quality furniture should always match the harmonious design with a practical usage. Our high-skilled craftsmen apply with extreme care the gold leaf on all ornaments and capitals. They are then duly polished and protected with a high gloss coat to grant durability in time.

The Liberty Collection is the new furnishing proposal characterized by the elegant frames and ornaments with golden and silver details that perfectly decorate the light pastel tone flat surfaces.
