

## R 08

Modular furniture in lacquered finishing.

Collection Ca 'Rezzonico

The modular Ca 'Rezzonico are made of lacquered finishing.

These mobiles have the grace of proportion, the balance between content and form, synthesis between lines and surfaces.

The collection proposes in a modern classic style in a refined balance of shapes and materials. Ca 'Rezzonico offers endless compositional possibilities. Made of cherry wood with matching inlay or lacquered finishes.

Details

The collection Ca 'Rezzonico is full of details that enrich the furniture. The handles are cast brass and polishing follows a strict artisan process, using water colors and sludge with natural lands protected by opaque paints.

Dimensions:

391x50x259h cm
