

Console art. 262

Six leg Impero period reproduction console in solid hand-carved basswood. The subtle engravings on the upper band reach their climax into a wonderful medallion embellished by laurel branches. As the style requires the table legs, here symbolizing a quiver, end in a marvellous capital. Stressed gold leaf finish. Table top in black Marquinia marble. Appropriate for exclusive locations in entrances, living rooms, dining rooms, suite rooms or receptions. Available in several finishes.
