

Donatello sideboard

In the Donatello sideboard the screen-printed decoration of the surfaces, the engraved glass and the gold leaf trims create a composition of great beauty.

ARREDOCLASSIC presents the new Donatello collection in neoclassical style. Created by skilled Italian designers, it features curved lines and virtuoso gold leaf ornamentation to give interiors a warm, romantic atmosphere. The Donatello collection is made throughout from materials of Italian origin, combining their absolute quality with practicality to make this collection unique of its kind.
