

## Flory mirror

Mirror with engraved cut glass.

For the rediscovery of the great tradition of a company founded in the light of a new taste for fine objects, we present the Flory bedroom with its olive treated elements in briar wood. The Zebrano solid wood is immediately recognizable in the bedroom shelves and bases of the chest of drawers and bedside tables with satin-look finishing. This is a contemporary classic whose fascination lies in the use of these splendid natural woods and the masterly way in which they have been worked.
