

## Donatello wardrobe with 6 doors

Neoclassical style wardrobe with six doors. The rich gold leaf ornamentation and cornices defines and decorates all the elements in the collection in a mood of understated refinement. The Donatello collection is characterised by attractive, finely worked frames, which combine with carving and ornamentation to highlight the beauty of the elegant matt walnut surfaces. The greatest care is taken over every single detail of every piece.

ARREDOCLASSIC presents the new Donatello collection in neoclassical style. Created by skilled Italian designers, it features curved lines and virtuoso gold leaf ornamentation to give interiors a warm, romantic atmosphere. The Donatello collection is made throughout from materials of Italian origin, combining their absolute quality with practicality to make this collection unique of its kind.
