

Air One Soft 01 PT

Executive armchair with innovative design, characterised by its black mesh backrest and headrest. Attractive contrasts created by the colour combinations in the upholstered seat.

FEATURES:

Backrest: Polyamide and fiberglass structure, self-supporting mesh.

Seat: Multilayer wood inner seat, polypropylene outer seat.

Padding: Flexible polyurethane foam (seat).

Lumbar support: Height-adjustable.

Armrests: Fixed or height-adjustable.

Mechanism: Synchronized multi-block with or without sliding seat, gas-lift.

Base: Nylon or polished aluminium with castors.

Headrest: Adjustable, self supporting mesh.
