

Tiani 02/1

Armchair for office and for contract. Stacking 5 high, it is suitable for the corporate and leisure contract markets. This armchair will compliment a contemporary interior whilst blending aesthetic simplicity with comfort and durability. The chrome plated steel frames is finished to the highest standard and features a cantilevered back which, with the ribbed upholstery, provides a flexible lumbar. The armchair is available in leather or a wide selection of fabrics and the arms are leather covered. It is provided with a sprung webbed seat and incorporates a moulded plastic seatpan to allow seat stacking without marking. A linking system is available. A trolley enables the chairs to be handled and transported easily.

Designer: Simon Pengelly.

Dimensions: H78, W58, D80, SH46
