

## Cucaracha

Swivel armchair on 4-star base in black aluminum, oscillating mechanism, covered low backrest shell.

Designed by Studio Favaretto & Partners, the Cucaracha lounge armchair collection is defined by its soft and elegant lines. The seats are perfectly suited to all the environments where it is necessary to combine comfort with relaxation, or where waiting no longer has to be a problem. The swivel seat, equipped with an oscillating mechanism that amplifies comfort, is available in two different backrest heights.

The armrest, finely integrated into the modern profile of the structure, turns out to be practical and elegant. The wide range of coverings and colors, always suitable for the contract world, make Cucaracha customizable to the trends of modern offices and hotels.
