

Ada-D

Hotel sofas ADA-D have frame and legs in beech wood stained in standard or special colours, and are fitted with glides. Seat, back and arms are upholstered with fire-retardant polyurethane foam and are covered in fire retardant fabric or vinyl; covering in customer's own material is available as well. These hotel sofa chairs and relevant hotel armchairs are ideal for lobby, restaurant, bar and for hotel rooms. Available together with our coffee tables.

Dimensions in cm:

Total height: 78

Total width: 131
