

Bruno

Interpretation of the contemporary sofa with vintage taste, handcrafted construction with hand-made workings of the backrest. Base in brushed brass painted wood that gives it a luxurious and elegant look. Producible on request and customizable in the finishes and in the padding. The armrest is characterized by a curvature that turns out to be an invitation to sit and try the comfort of the sofa. Combinable with many types of complements and different finishes such as gloss gold, brushed brass or matt black. Create your style through our customizations.
