

Kuba Lux

Original and unusual in its simplicity, Kuba is a sofa with an exposed solid wood structure, which can be polished in the shade chosen by the customer. Seats in foam, backrests with back support in foam and back cushions in feather, with the comfortable double support roller. It is available to measure, proposed in different combinations: sofa, peninsula, pouf, corner element, single sofa. Kuba is the modular sofa, modern, with an exceptional and very particular elegance.
