

## Parker

Sitting or sleeping has never been more comfortable with the Parker: a wooden slats bed base with a large choice of different mattresses, beautiful design and extreme seating comfort. The seating height is only 44 cm. By simply rotating the back, without removing any of the cushions, Parker converts into a conventional bed with a 200 cm. mattress. The cover is completely removable and washable according to the fabric chosen. Parker is also available as a sofa and can be completely disassembled for easy delivery.
