

NUBIA 2901

Armchair monoshell with internal steel frame covered by injected F.R. foam and fully upholstered.

Shell available in 3 sizes: task, operational, managerial.

5 stars aluminum base, gas lift, castors or feet.

Available with tilt mechanism Avant-Line decentralized, Comfort-Line decentralized, and for all with multi-stop antishock system.

Ideal for: operative and managerial office, conference tables.

Optional: adjustable lumbar support, chrome frame, automatic return system AGR.

The project Nubia combines industrialization and artigianal works: high strength materials such as metal frame padded with full fire retardant injection, are used in the finishing trades such as contrast stitching, double line. The overall result expresses a unique style that puts Nubia at the top of the range and makes it suitable to the most exclusive layout.
