

Chiavari

Our CHIAVARI chairs are available in clear, white, black or gold. They are suitable for a variety of events, such as weddings, banquets, lunches and gala dinners, ceremonies and parties. Chair is manufactured in 100% pure polycarbonate, is stackable 8 high, is lightweight, is robust and durable. Infact it is tested to bear a weight of 500kg and has a five-year warranty. Besides they are suitable for indoor and outdoor, considering that they are resistant to bad weather and to sunlight. An optional loose seat cushion suitable for outdoor, 45mm high, upholstered and covered in a fabric in cotton and polyester in white, ecru or black, is available as well. Different types of chair covers and decorations are available as well. This production of chairs has an attractive price for their sale to all hospitality facilities. Therefore these chiavari chairs are perfect for furnishing hotels, restaurants, banquet rooms, villas and historic houses; they are also recommended for catering and rental companies. These modern plastic chairs are entirely produced in the European Community according to high quality standards. They are available also with our folding tables and bar stools. Dimensions in cm: H92, W42, D50, SH45. Weight 5kg.
