

Dave

Dave is the new sofa bed with Lampolet mechanism designed by Milano Bedding, featuring a careful search for details, aesthetics and functional appeal for a contemporary result under the banner of lightness. Its frame, thin and solid, combines linearity and elegance with sitting comfort, guaranteed by carefully calibrated proportions. The feet, 16cm high, are in polished aluminum and help to slim and distinguish the model. The various covers allow changing Dave's soul according to the tastes and environments in which it is placed. Dave sofa bed with high legs has a removable cover and features feather seat and back cushions with polyurethane inserts and 16 cm high polished aluminum feet. Dave turns into a bed with a 200 cm mattress and is also available in all sizes in a fixed version.
