

Douglas

Douglas is a sofa bed with Lampolet mechanism, featuring a unique removable quilted cover with details recalling the art-deco style. By simply rotating the back, without removing any of the cushions, Douglas converts into a conventional bed with a 200 cm long and 14 cm high mattress. The removable cover is washable according to the fabric chosen. Douglas is also available as a sofa; it is a disassembling sofa bed for easy delivery.

Design Elena Viganò 2013
