

## Morgan

Morgan is distinguished by its Art Deco design and for the high back, creating a modern Bergère; the well-proportioned volumes combine classic and contemporary tastes. Morgan is ideal for decorating the home environment, lobby areas and the receptions of hotels and offices. Featuring a seat in feather and high resilient polyurethane foam, feather backrest pillows and solid beech wood base in standard wenge finish or RAL color on demand, Morgan is available in three widths: 222, 208 and 178 cm and in several contemporary or classic fabrics. Morgan is also available in bed version with a 190 cm long mattress.
