

## ONICE 2-Seat Sofa Bed Made Of Microfibre - DI1706MIG

Sleeper sofas are a popular choice for many people because they transform from a regular couch into a bed. If you have out-of-state relatives or entertain frequently, having the extra sleeping space can be a huge benefit. One of the best sleeper sofas you can buy right now in terms of value and price is the ONICE 2-Seat Sofa Bed Made Of Microfibre.

If you're looking for an inexpensive sleeper sofa to put in a guest room, apartment, or starter home, you can't go wrong with the ONICE sofa bed. This piece of furniture is a steal at under \$150, and it comes in six classic colours to match just about any décor.

Friends will be queuing up for an invite to stay at yours with this so-stylish sofa bed in luxury microfibre. The rich royal grey/cream/red/black/blue/brown would give a sumptuous feel to any room, and the minimal design would fit any space, from contemporary to mid-century style. Easily folds back to give double bed sleeping status. Just don't take it personally if your guests want to go to bed early.
