

## FLORA / sofa

Comfortable sofa with an eclectic style with soft Deco lines, for a refined aesthetic in perfect balance between past and present.

The bean design characterizes the originality of the shapes; the padding in fine Italian velvets and fabrics can be customized with the different available coverings and catalog.

The same line is available in armchairs and sofas in other sizes and footstools.

In the Flora collection by Marzorati, care and passion are distinguished by the high craftsmanship of the creations enriched by contemporary luxury.

The Flora collection is made in the versions in dark brown oak or in light-stained Kotò wood and in Aniegré for the living room and office, always with details in Champagne Silver leaf finish.
