

## Soprano

The Soprano line has a very sophisticated design, a simple elegance but with many precious details.

Optimal comfort is given by the goose down padding – all down for the backrest and cushions and a mix for the seat.

The Soprano model is equipped with three movable backrests, which allow you to create your own comfort area anywhere on the sofa, characterized by reclining headrests incorporated into the padding.

Further lightness is given by the high and essential feet in titanium-finish steel, which streamline the model.
