

Art. 5600

Bed with fabric upholstery, lacquered wood frame and brass details.

Cm.205x230 h.120

Abbondi Home develops a new way of understanding luxury furnishing in a contemporary key, defining new furnishing proposals with a typically Italian imprint characterized by a deep attention to details, capable of harmoniously integrating precious essences such as Canaletto walnut and brilliance of brass in its various finishes. The Emperor marble tops make the already refined and elegant design more precious.
