

LEP14 Lux Chic bed

Bed that is characterised by the geometry of the lines. It expresses a concept of Contemporary Luxury by combining precious woods such as Pama and leather. Everything is embellished by the high craftsmanship of the inlaid wood work and by the rhombus embroidery of the leather.

Available in the version with headboard with boiserie enriched with rhombus inlays or in the version with only bed.

Dimensions of King Size bed cm 216x230x130 h (for bedsprings and mattress cm 200x200)

Dimensions of standard bed cm 186x230x130 h (for bedsprings and mattress cm 170x200)

Boiserie width: cm 400 (in the version with King size bed); cm 370 (in the version with standard bed)
