

## Giorgia GIORGIA3064

Modular wall unit on the shoulder, perfect for a modern living room where you want to bring a touch of classic and refined style. This wall can be extensively customized by intervening on the size and arrangement of the elements that compose it. The simplicity of the design combined with the delicacy of the workmanship make this furniture a typical example of contemporary classic furniture. Perfect piece of furniture for those looking for an important, refined furniture, but without excessive decorations.

- The price of the polishing includes the crystal shelves and the plain glasses.
- The background of the floral tile is provided in silver leaf only in the "White with Silver Leaf Intaglio" finish.
- This wall can also be made without a floral tile.
- Soft closing drawers and doors

#### Main materials used:

- Pendants: honeycomb with fir frame veneered in Tanganyika walnut.
- Structure: blockboard wood veneered in Tanganyika walnut.
- Backrests: multilayer wood.
- Drawer fronts: solid lime wood.
- Frames: solid toulipier wood.
- Drawers: plywood.

#### The "Giorgia" collection:

The Giorgia collection is a new and current collection of contemporary style furniture intended for the whole house, from the bedroom to the living room. For the living room you can find modular equipped walls and dining rooms composed of sideboards, display cabinets, tables and chairs. The furniture is made with high quality materials, such as blockboard wood veneered in essence or solid wood. These furniture have a contemporary image but maintain a strong reference to classic furniture.
