

## Soffio

Light, essential, smart: soffio shapes the space with a subtle touch and clever versatility. Its frame, made from aluminium painted in any of the collection's 20 colours, features well-designed minimal volumes. Triangular-section legs form corners with a diamond-like sharpness to them and support the top in wood or scratchproof matt lacquered finish. It comes in 5 widths, while lengths can be made to order: up to 3 metres for the fixed version and totalling 3,6 metres for the extending version.
